PRESIDENTS MESSAGE:

1 Welcome to the CRWEF newsletter. Please have a good read.

In an attempt to reach out to our membership we have added a quarterly newsletter to inform you of our 'goings on'!! Most important is to inform you that the CRWEF holds its annual general meeting (AGM) at the IRWA Conference, which is in Portland, Oregon this year. The CRWEF AGM is scheduled to be held on Sunday, June 9, 2019, at 11:00 in the Skyline I Room. This information will also be listed in the IRWA Conference program guide but double check in case there are any last-minute changes.

We strongly encourage our members to attend the CRWEF AGM as we are putting a motion forward to extend the board of directors elect. Currently there are three funded positions: President, Vice-President, and Treasurer/Secretary. We will be motioning to split the Treasurer/Secretary role into two independent, funded positions: Treasurer and Secretary.

A few years ago, the committee had put in place more opportunities to give back to the community through its sponsorship programs. These opportunities, along with the regular tasks associated with the dual role, have over-taxed the Treasurer/Secretary position, so adding a person would be beneficial.

This year is our election year and all officer positions will be available for election. If the above motion is passed, the committee will be asking for names for two vacant positions (Treasurer and Secretary) if the current elect move into their natural succession roles (President and Vice-president). If you are interested in any of these positions, please inquire with your CRWEF elect and we would be happy to explain the duties of each role and expected commitment, etc. On our web page (www.CRWEF.ca) you can also find a tremendous amount of detail about the entire organization and its functions.

I would like to pass on my thanks to my other board of directors elect, Shannon Favaro (SR/WA) and Nancy Sinclair (SR/WA) for all of their efforts and contributions to another successful year of governing the CRWEF.

Thank you and looking forward to seeing many colleagues at this year's conference!!

William D. Giese SR/WA
President - CRWEF
